District Judge Displaces Beatty Because He Is Party to the Suit. Because He Is Party to the Suit.

Denver, Colo., Aug. 22—Judge Mullins in the District Court to-day removed Henry M. Beatty as assignee of the Western State Bank, and named the Continental Trust Company to act instead.

The trust company immediately filed bonds in the sum of \$1.26.00. The reasons given by Judge Mullins for his action are that Beatty is a defendant in the suit pending against the bank, and that as cashier Beatty paid to the local aerie of Eagles money which it had on deposit after the bank had closed its doors, thereby doing an injustice to other depositors. Atterneys for Beatty at once applied to the Supreme Court for a stay of proceedings, and Justice Campbell issued an oral order restraining Judge Mullins from further action.

DR. GEORGE T. MOORE TO BE REINSTATED

ment of Justice in Cons

Wratt Building. 18th and F Streets.

Washington, Aug. 22.—Doctor George T.
Moore is to be reinstated in the Department of Agriculture. The action of the Department of Justice in exonerating him of any wrongoing in connection with the exploitation of the "nitro-culture" product with a Penrsylvania firm is the ground upon which the reinstatement will be based.

Becretary With

upon which the reinstatement will be based.

Secretary Wilson claims that as the Department of Justice failed to find evidence of wrongdoing on the part of Doctor Moore and his alleged connections with that commercial enterprise, the resignation of the scientist should be rescinded.

When Doctor Moore resigned his position in the Burcau of Plant Industry on July 3 Secretary Wilson forwarded all the papers connected with the case to the Department of Justice to ascertain, if possible, whether Moore was liable to prosecution.

Since, however, there has been no evidence of an incriminating nature contained in these papers, it is said Moore will be reinstated.

At the time Doctor Moore resigned he

In these papers, it is said Moore will be reinstated.

At the time Doctor Moore resigned he was engaged in making some scientific experiments that were of a valuable nature, and, owing to the fact that it has been practically impossible to fill the vacancy created by his resignation, the Secretary had engaged l-im temporarily to complete his experiments, and as soon as the Secretary has time to again take up the care. Moore will again the assigned to the division of which he was in charge at the time he was forced out of the department.

Secretary Wilson said to-day:

"Moore was not guilty of the charges that have been preferred against him, as is shown by the Department of Justice's report on the case, and when I can again the up the matter I will give Moore a "square deal."

"If Moore had been frank with us at the time when he was under suspicion it would have been far better for him. He was simply scared out. That's all there is to it."

### GIRL'S HOMECOMING NOT WHAT SHE HAD EXPECTED

The Leavenworth police notified her parents, who sent money for her to come to St. Louis. Chief Dorney and Superintendent litown were informed that the girl was coming to St. Louis, so they arrived here ahead of her and informed Chief Kiely. The Chief assigned Detectives Dooley and Steons to the case, and they met Pearl at Union Station yesterday morning. She was visited by her parents at the Four Courts. The girl was incorricible and had been sent to the home in Chillicothe several months are. Elsie Beard's home is out in the State.

### WOMAN WOULD PUNISH HER FORMER HUSBAND.

Mac Palled to Allow Her to See Children as Court Ordered.

Mrs. Della Pearl Ruts of Carsonville, St. Louis County, will make another attempt to-day to have Washington Einclair, her former husband, punished for contempt of court. A similar attempt made two weeks ago did not succeed.

When Mrs. Butz was divorced from Sinclair the court awarded the custody of their three children to the father. decreing, however, that the mother should be permitted to see them at stipulated periods. Since them the planting married Butz and now claims that she is well able to provide for her children. She filed a motion several weeks ago to have the order modified so as to give her the custody of the children, and also to have Enclair punished for failing to obey the mandate of the court.

Judge McElhinney, on hearing the evidence, decided that the children should remain with the father, but ordered that he take them to the Suburban Garden every first and third Sunday to meet their mother, who was to remain with the mithroughout the day.

It is now said that Sinciair has failed to obey this latest order, and a citation was issued vesterday for him to appear to-day and show caure why he should not be punished for contempt.

President Forman Will Ask Council to Appoint Commission to Provide Means to Abolish Death Traps.

The appointment of a commission to study the evil of grade crossings and provide means for their abolishment will be recommended by President Forman of the City Council when that body meets September 1.

Mr. Forman said yesterday that he had taken special interest in the agitation for the removal of the danger to traffic on half a dozen streets. Frank W. Vallinat, Street Commissioner, has prepared plans for a bridge to span the Wabash tracks at flurah street, and has a tentative solution of the problem of crossing Delmar avonue, Tower Grove avenue, and South Eroadway.

One plan contemplates the lowering of tracks at Tower Grove, where there is at present a heavy grade in both directions from that street. The crossing at Delmar avenue and the Wabash tracks, according to Commissioner Valliant, will be effected by a bridge, the cost of which will he distributed among the Wabash Railroad, the city and the United Railways Company.

Legislation to hasten the abolition of grade crossing will be asked both by Mr. Forman and Commissioner Valliant when the Municipal Assembly convenes.
